- تم توصيل USB واضافة ملفات فيه وفتح ملف موجود فيه ومن ثم فصله والدخول على Registry وتحديد serial number for USB .

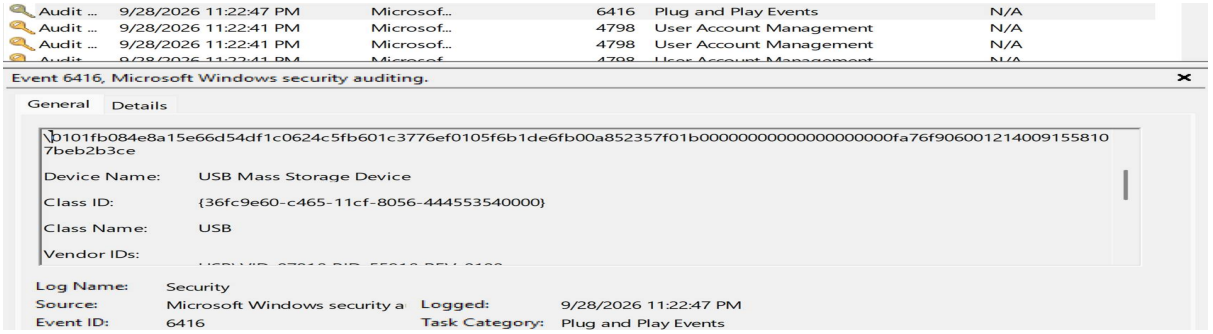

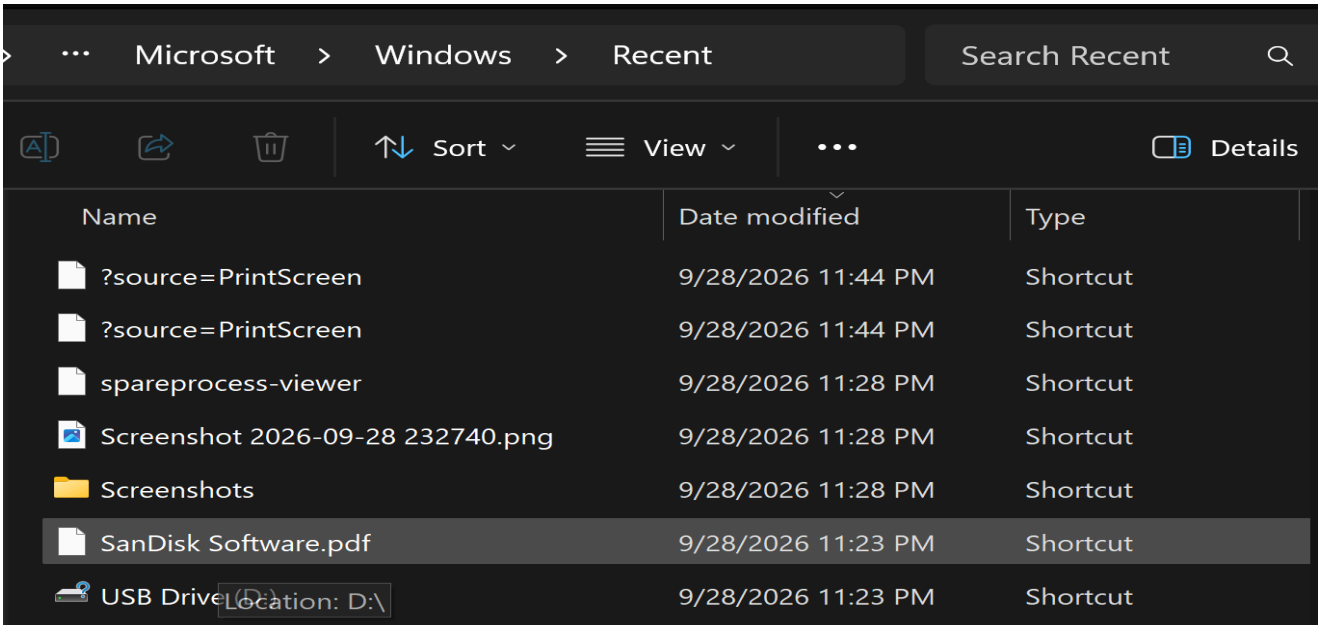

- بعدها واجهتني مشكله في اظهار وقت التوصيل حيث ان Event viewer ما كان يسجل Plug and Play Events ففعلته وعدت الخطوات من جديد لتثبيت التايم لاين بشكل متسلسل .

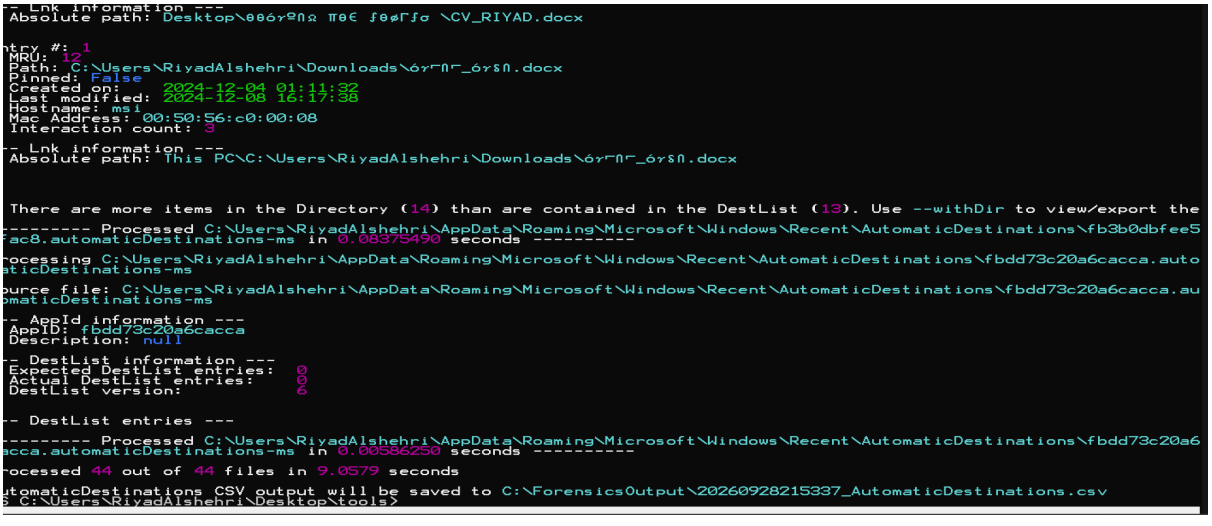

- بعدها دخلت على Event Viewer وبعدها على security وبعدها بحث برقم الايفنت 6416 .

- بعدها دخلت على مسار AppData%\Microsoft\Windows\Recent% عشان اطلع lnk files واشوف الملف اللي فتحته من USB .

- بعدها عشان اجيب الملفات المستخدمة حملت اداه JLECmd لفحص Jump Lists ومعاها باقي الادوات الخاصة ericzimmerman .
